Notes:

"Magalie meets Danielle, a fascinating French journalist who inspires her to return to France in search of the woman who gave her up at the age of five. The mystery surrounding her mother's death leads her into the swamps of Camargue, the slums of Marseille, and to a shady gypsy woman in her search for the murderer. With Danielle's help she learns of her mother's tortured life, and of her mother's lover, Celine."-- Publisher's description WorldCat
